PREMIERSHIP TOUR WEEKENDS

~ 2 NIGHTS ~

Our tour weekends have become incredibly popular with Scottish clubs wanting an exciting trip that is well organised and great value for money. This trip is ideal for clubs travelling for the first time as well as experienced touring teams. We take care of every detail of the trip so you can concentrate on playing football and giving your players and supporters a fantastic time. Our tours are different from the norm; you will have your own tour Rep and trip organiser. Contact us for an example itinerary from last season.

North West England

We base this tour in the Preston area and can organise match tickets at any of the Premiership or Championship teams in the region. You will leave by coach on a Friday and spend two nights in a 3 star hotel. You will play against selected local opposition in the mornings and in the afternoons watch a premiership match. There is an option of a trip to a theme park or alternatively to watch another premiership game. You will return home on Sunday evening

North East of England

This year the options for premiership football are limited to Sunderland. However the other local sides should be pushing for a return to the top league and well worth a visit. The area offers some great local opposition and follows the same format of a Friday tea time departure and Sunday evening return home.

English fixtures can be found on the BBC web site or call us for details.

Prices start from £199* per person inclusive of:

- 3 star Hotel Accommodation
- Breakfast, Packed lunch & Dinner
- Travel by the team's personal luxury Coach
- Bottled water & fruit provided
- Entry into League Game at match of choice
- Entry into local Theme Park
- Friendly match(s) organised against local teams

Our other locations include:

East Midlands

West Midlands

London

Ireland

We organise tours to Dublin, Coleraine and Cork. These trips are usually longer than two nights and will often involve flights.
